The Women's International Club Canberra, commonly known as WIC, is a women's friendship club established in 1964. It currently has 300 members, Australian and international women, representing around 50 countries. The Club is not-for-profit, international in scope and has as its focus multicultural understanding and friendship.

We warmly welcome international short term residents and members of the diplomatic community and encourage you to join. Many of our Australian members have lived overseas on diplomatic or business postings and consequently appreciate the challenges facing new arrivals on a posting.

We meet on the 4<sup>th</sup> Wednesday of the month (February to November) for a Contact Morning which includes morning tea, followed by Club reports and announcements and a guest speaker or a cultural morning. The highlight of membership is the interest groups, known as Circles, that are offered by Members and generally held once per month. There are nearly 50 Circles available for Members to choose from - options include activities such as bridge, mahjong, tennis, walking groups, book clubs, language groups, craft groups, dining groups.

There are two membership categories:

- Australian and Permanent International Members
- Visiting International Members

Australians and permanent residents wishing to join need to be introduced by a current Member. We offer a warm welcome to all international visitors to Canberra and encourage you to contact us in order to join the Club.
